FISCAL ANALYSIS

ASSUMPTION

Officials of the **City of Warson Woods** stated that although the legislation states that cities would not have to change anything, officials assume they would need to change to Code Book, Stationary, Name Plates, Website, Newsletter, etc., to reflect the new title. Officials estimated costs to range anywhere from \$5,000 to over \$50,000.

Officials of the **City of Centralia** estimates costs of amending the City Code at \$10,000 to \$15,000.

Officials of the **City of Wentzville** assume they would have to change name plates, business cards, etc. Officials estimate costs in FY 2003 at \$2,400 and \$0 in FY 2004 and 2005.

Officials of the **City of Cuba** assume no fiscal impact.

Officials of the **City of Eureka** and the **City of Archie** assume no fiscal impact.

Oversight assumes the provisions of Section 79.011.2 would not require certain cities to change designations on letterhead etc. Oversight assumes that the proposal is permissive to the extent that certain cities could at their own election make changes, however, that would be at their discretion. Oversight assumes no local fiscal impact.
